2.1 Limits may apply to the balance on your Account at any time, the maximum value of an individual payment Transaction, maximum Virtual Transaction value per Card, the maximum aggregate value of all payment Transactions made from your Account or Cards in a particular time period e.g. during any one Business Day and the maximum number of payment Transactions made from your Account over a particular timeframe. Your Cards may also have certain Card Transaction types disabled, such as cash withdrawals at an ATM.

2.2 The limits and restrictions that apply to your Account and Card will be communicated to you during the Account set-up process and/or before the Card is issued to you (as applicable). These limits may also change over time based on your Account and/or Card usage; any such change will be communicated to you. You can check the limits at any time by contacting Customer Services. You should not make a payment Transaction request which exceeds such.

2.3 From time to time a Card Transaction may be authorised which exceeds the limit or restriction applicable to your Account or Card, for example when it is used in an offline environment for example but not limited to payments for or on transport (purchases on a train, aeroplane, underground or toll payments). In such circumstance, a negative balance on your Account may occur. In this case the process in paragraphs 5.13 to 5.15 inclusive will apply.

2.4 Certain Merchants may require verification that the funds held on your Account will cover the Card Transaction amount and will place a "pre-authorisation" on your Card. This amount will be unavailable to you until the Card Transaction is completed or released by the Merchant. The pre-authorisation allows the Merchant up to 30 days to claim and settle any funds owed to them from the Card. Examples include but are not limited to hotels and rental cars. If there are insufficient funds available on your Account, Modulr must still make this settlement, which may result in a negative balance on your Account. In this case the process in paragraphs 5.13 to 5.15 inclusive will apply.

2.5 To manage our risk, particularly with respect to money laundering, fraud or security concerns, we also apply internal controls, including limits, to certain types of payment. We change these as necessary but for security purposes, we do not disclose them.

3. SCOPE OF THESE TERMS AND CONDITIONS

3.1 Your Account is an electronic money account and the electronic money and any Card associated with it is issued to you by us. We are regulated by the Financial Conduct Authority for the issuance of electronic money (FRN 900573). Your rights and obligations relating to the use of this Account are subject to these Terms and Conditions between you and us.

3.2 The types of Transactions enabled for your Account will be explained to you by Damex, or as subsequently enabled by us. The terms of these Modulr Account Terms and Conditions applicable to specific Transactions or payment types (for example, Cards) apply only to the extent that such Transactions or payment types are enabled for your Account.

3.3 This Agreement is written and available only in English and we undertake to communicate with you in English regarding any aspect of your Account.

3.4 You agree that we or Damex may communicate with you by e-mail or telephone for issuing any notices or information about your Account and therefore it is important that you ensure you keep your e-mail address and mobile phone number updated.

3.5 You can request a copy of these Terms and Conditions at any time by contacting Customer Services.

4. OPENING YOUR ACCOUNT

4.1 Your Account will be opened on your behalf by Damex. You may only hold an Account so long as you remain an approved client of Damex that provided you with your account details.

5. USING THE ACCOUNT

5.1 Your Account can receive bank transfers and other payment types as added and notified to you by Modulr from time to time. Subject to paragraph 5.3, we will credit your Account when we receive the funds which could be up to three Business Days after the payment being instructed, depending on how the payment was sent.

5.2 Your Account can also receive internal transfers from other Accounts owned or controlled by Damex, which apply instantly.

5.3 An incoming payment will not be credited to your Account if:

5.3.1 the Account has reached the Account Limits; or

5.3.2 the Account is inactive or blocked or terminated; or

5.3.3 the sender has provided incorrect/invalid Account Details for your Account; or

5.3.4 we suspect the payment to be fraudulent.

5.4 If we are unable to credit your Account for any of the reasons in paragraph 5.3 then the funds may be sent back to the sender without a prior notification to you.

5.5 Your Account can make payments out to external bank accounts via Faster Payments, SEPA and other methods as added and notified to you by Damex from time to time.

5.6 Your Account will be configured and operated by Damex. You agree that Modulr and we may take instructions from Damex regarding the operation of your Account, including the creation of beneficiaries and instruction of payments, on your behalf. We and Modulr have no liability for actions taken by Damex. If you disagree with any actions taken by Damex these should be discussed with Damex. We are also authorised to take instructions from any other Account Manager (where different from Partner Platform) and, with respect to Physical Card Transactions, from the Cardholder. You are responsible for all actions of the Account Manager and any Cardholder in relation to the Account and/or Card(s).

5.7 Where Cards are made available to you, your Account can be used to fund Card Transactions. You or your Account Manager or Partner Platform can request a Virtual Card or a Physical Card to be issued to you via the Online Portal or Modulr API. The value of the Virtual Card Transaction, together with any applicable fees and charges, will be deducted from your Account once we receive the authorisation request from the Merchant.

5.8 If the Card Transaction is made in a currency other than the currency the Card is denominated in, the Card Transaction will be converted to the currency of the Card by the relevant Card Scheme at a rate set by it on the day we receive details of the Card Transaction. The exchange rate varies throughout the day and is not set by us. You can check the relevant Card Scheme rate as follows.

Mastercard Card Scheme rate at: <https://www.mastercard.co.uk/en-gb/consumers/get-support/convert-currency.html>;

VISA Card Scheme rate at: <https://www.visa.co.uk/support/consumer/travel-support/exchange-rate-calculator.html>.

5.9 A Transaction is deemed to be authorised by you:

5.9.1 when you or your Account Manager or Partner Platform enters the security information on the Modulr Online Portal to confirm a Transaction is authorised, or when it is instructed via the Modulr API with the relevant security credentials;

5.9.2 when you or your Account Manager or Partner Platform submits a request for a creation of a Virtual Card via the Online Portal or Modulr API, you shall be deemed to have authorised any subsequent Virtual Card Transaction made using such Virtual Card up to the authorisation value specified when creating the request for creation of the Virtual Card;

5.9.3 when you or the Cardholder (i) enter a PIN or provide any other security credentials; (ii) sign a sales voucher; (iii) provide the Physical Card details and/or provide any other details as requested; (iv) wave/swipe the Physical Card over a card reader; or (v) insert the Physical Card into a card device or an ATM;

5.9.4 when you give instructions through a third party (such as the recipient of a Direct Debit Mandate or a Payment Initiation Service Provider).

Once the Transaction is confirmed, we cannot revoke the Transaction save for in those circumstances set out in paragraph 5.10 below.

5.10 You can cancel any Transaction which is agreed to take place on a date later than the date you authorised it, provided that you give us notice to cancel no later than close of business on the Business Day before the Transaction was due to take place;

5.11 Cancelling a Direct Debit Mandate with us will not cancel the agreement with the organisation you are paying. It is your responsibility to tell the organisation collecting the payment about the changes to your instructions.

5.12 If for any reason whatsoever, a negative balance arises because a Transaction is completed when there are not enough funds on your Account for that Transaction, you shall reimburse the negative balance amount immediately, unless circumstances described in sections 5.13 and 5.14 apply. You agree that once we make this negative balance known to you, we will charge you the amount of negative balance and you must repay it immediately. We may charge the amount of the negative balance against any funds on your Account, including any subsequently loaded funds. Until we are reimbursed this negative balance amount, we may arrange for your Account, including Card(s) to be suspended. We may also report the negative balance to credit reference agencies.

5.13 Where a negative balance arises because of an error on the part of a Merchant where the Card Transaction occurred, we will seek to recover the negative balance amount from the Merchant.

5.14 Where a negative balance arises because of an error on the part of the recipient of the payment or us, we will seek to recover the negative balance amount from the person who made the error.

5.15 The Available Balance on your Account will not earn any interest.

5.16 You can check the balance and Transaction history of your Account at any time via the interface provided to you by Damex or by contacting Customer Services, or the Online Portal if you have relevant access details.

5.17 You will be provided with a monthly statement free of charge setting out information relating to individual payment Transactions by Damex or us (using the details we have associated with your Account).

6. THIRD PARTY ACCESS

6.1 You can instruct a TPP to access information on your Account or initiate certain Transactions from your Account provided such TPP has identified itself to us and it has acted in accordance with the relevant regulatory requirements. We will treat any instruction from an TPP as if it was from you or an Account Manager.

6.2 We may deny a TPP access to your Account if we are concerned about unauthorised or fraudulent access by that TPP, setting out the reason for such denial. Before doing so, we will tell you that we intend to deny access and give our reasons for doing so, unless it is not reasonably practicable, in which case we will immediately inform you afterwards. In either case, we will tell you in the manner in which we consider most appropriate in the circumstances. We will not tell you if doing so would compromise our security measures or would otherwise be unlawful.

6.3 If you have provided consent to a TPP to access the data in your Account to enable them to provide account information services to you or initiate Transactions on your behalf, you consent to us sharing your information with the TPP as is reasonably required for them to provide their services to you. You must let us know if you withdraw this permission and we recommend you let the TPP know. On notification from you, we will not provide such TPP access to your Account or the data in it.

7. CLOSING YOUR ACCOUNT

7.1 You may close your Account by contacting Customer Services. Please refer to your contract with Damex for any terms relating to your need to maintain your Account.

7.2 The Account will be closed if Damex instructs us to close your Account (in which case Damex will inform you of this instruction).

7.3 On termination of the Agreement for any reason, these Terms and Conditions will automatically terminate, and your Account will be closed and any Cards issued to you will be cancelled.

7.4 Any Available Balance remaining on the Account after Account closure will be transferred to your nominated bank account via Faster Payments or SEPA (as relevant) based on instructions to us from Damex. If for any reason this is not possible, such Available Balance will remain yours for a period of six years from the date of Account closure. Within this period, you may at any time request a refund by contacting Customer Services. You will not have any access to your Account and we will not return any funds remaining on the Account after six years from the date of Account closure and this Agreement will terminate.

8. YOUR LIABILITY AND AUTHORISATIONS

8.1 You are responsible for understanding and complying with the Agreement including these Terms and Conditions.

8.2 We may at any time suspend, restrict or refuse to authorise any use of your Account and/or Cards (including cancelling Card(s)) or refuse to process your instructions or authorise any particular Transaction where:

8.3 If we cancel, suspend or restrict your Account and/or Card(s), or otherwise refuse to execute a payment order to or to initiate a Transaction, we will, without undue delay and provided we are legally permitted to do so, notify you or Damex of the refusal, suspension or cancellation (as applicable). If possible, we will provide the reasons for the refusal to execute the Transaction and/or suspending the use of your Account and/or Card and where those reasons relate to factual matters, the procedure of rectifying any factual errors that led to the refusal.

8.4 You or the Account Manager or the Cardholder must not:

8.4.1 allow another person to use security information related to the Account and/or Cards,

8.4.2 write down password(s) or any security information unless this is done in a way that would make it impossible for anyone else to recognise any of that information, or

8.4.3 disclose passwords or any security information, or otherwise make them available to any other person, whether verbally or by entering them in a way that allows them to be observed by others.

8.5 You must take all reasonable steps to keep your Account and password(s) and any other security-related details safe at all times. If you visit a website or receive a message that asks for your password, other than the Modulr website, this should be reported to us. If you are in doubt whether a website is genuine, you should contact Customer Services. If you have any indication that your Account, password or other security information has been compromised, you must immediately change your password and notify us as soon as possible.

8.6 You will be liable for all Transactions that take place as a result of you, the Account Manager or the Cardholder acting fraudulently or failing to comply with these Terms and Conditions with intent or gross negligence. Any such Transactions and any fees and charges relating to such Transactions will be deducted from the Available Balance on your Account.

8.10 If you request to recall a Transaction due to an error or mistake caused other than by Modulr, we reserve the right to charge you (i) a handling fee of £25 per recall and (ii) any fee payable by Modulr to a third-party bank or institution for handling the recall.

9.3.3 if the Transaction was initiated through a TPP, it is for the TPP to prove that, the Transaction was authenticated, accurately recorded and not affected by a technical breakdown or other deficiency linked to the TPP's payment initiation service; and

Your Cards may also have certain Card Transaction types disabled, such as cash withdrawals at an ATM.

2.2 The limits and restrictions that apply to your Account and Card will be communicated to you during the Account set-up process and/or before the Card is issued to you (as applicable). These limits may also change over time based on your Account and/or Card usage; any such change will be communicated to you. You can check the limits at any time by contacting Customer Services. You should not make a payment Transaction request which exceeds such.

2.3 From time to time a Card Transaction may be authorised which exceeds the limit or restriction applicable to your Account or Card, for example when it is used in an offline environment for example but not limited to payments for or on transport (purchases on a train, aeroplane, underground or toll payments). In such circumstance, a negative balance on your Account may occur. In this case the process in paragraphs 5.15 to 5.17 inclusive will apply.

2.4 Certain Merchants may require verification that the funds held on your Account will cover the Card Transaction amount and will place a “pre-authorisation” on your Card. This amount will be unavailable to you until the Card Transaction is completed or released by the Merchant. The pre-authorisation allows the Merchant up to 30 days to claim and settle any funds owed to them from the Card. Examples include but are not limited to hotels and rental cars. If there are insufficient funds available on your Account, Modulr must still make this settlement, which may result in a negative balance on your Account. 3.4 You agree that we or the Partner Platform may communicate with you by e-mail or telephone for issuing any notices or information about your Account and therefore it is important that you ensure you keep your e-mail address and mobile phone number updated.

3.5 You can request a copy of these Terms and Conditions at any time by contacting Customer Services.

3.6 By accepting these Terms and Conditions, you acknowledge that the Dutch Deposit Guarantee Scheme or other government sponsored insurance does not apply to funds held in the Account.

5. USING THE ACCOUNT

5.1 Your Account can receive bank transfers and other payment types as added and notified to you by Modulr from time to time. Subject to paragraph 5.3, we will credit your Account when we receive the funds which could be up to three Business Days after the payment being instructed, depending on how the payment was sent.

5.2 Your Account can also receive internal transfers from other Modulr Accounts owned or controlled by the Partner Platform, which apply instantly.

5.3 An incoming payment will not be credited to your Account if:

5.3.1 the Account has reached the Account Maximum Balance or Account Limits; or

5.3.2 the Account is blocked or terminated; or

5.3.3 the sender has provided incorrect/invalid Account Details for your Account; or

5.3.4 we suspect the payment to be fraudulent.

5.4 If we are unable to credit your Account for any of the reasons in paragraph 5.3 then the funds may be sent back to the sender without a prior notification to you.

5.5 Your Account will be configured and operated by the Partner Platform. You agree that Modulr and we may take instructions from the Partner Platform regarding the operation of your Account, including the creation of beneficiaries and instruction of payments, on your behalf. We and Modulr have no liability for actions taken by the Partner Platform. If you disagree with any actions taken by the Partner Platform these should be discussed with the Partner Platform. We are also authorised to take instructions from any other Account Manager (where different from Partner Platform) and, with respect to Physical Card Transactions, from the Cardholder. You are responsible for all actions of the Account Manager and any Cardholder in relation to the Account and/or Card(s).

5.6 Your Account can make payments out to external bank accounts via SEPA Transfer, Faster Payments, SWIFT Payments (if selected as a Modulr Product) and other methods as added and notified to you by the Partner Platform from time to time. With regard to SEPA Transfers, Modulr will automatically process inbound and outbound SEPA payments via SEPA Instant Credit Transfers where possible. In the event Modulr is unable to process such payments via SEPA Instant Credit Transfers, the payments will default to being made via SEPA Credit Transfers.

5.7 Where Cards are made available to you, your Account can be used to fund Card Transactions. You or your Account Manager or Partner Platform can request a Virtual Card or a Physical Card to be issued to you via the Online Portal or Modulr API.

5.8 Where a Virtual Card or Physical Card is issued to you, you may be able to register and/or store the details of the Card within third party apps and/or devices and to use those third party apps/devices to initiate payments with your Card. When you first register your Card within a third party app/device we support, you may be required to verify that it is you requesting the registration of the Card. If you do not do this, you may not be able to register and use your Card through the third party app/device.

5.9 The value of any Card Transaction, together with any applicable fees and charges, will be deducted from your Account once we receive the authorisation request from the Merchant.

5.10 If the Card Transaction is made in a currency other than the currency the Card is denominated in, the Card Transaction will be converted to the currency of the Card by the relevant Card Scheme at a rate set by it on the day we receive details of the Card Transaction. The exchange rate varies throughout the day and is not set by us. You can check the relevant Card Scheme rate as follows.

VISA Card Scheme rate at: <https://www.visa.co.uk/support/consumer/travel-support/exchange-rate-calculator.html>.

5.11 If you use the Card to make a purchase online you may be asked by the Merchant to use 3DS. Physical Cards are automatically enrolled for use with 3DS. When you use 3DS, you agree that the following shall apply in relation to your use of the Card:

5.11.1 You must provide us with your mobile phone number before you can use 3DS. You must ensure that your mobile phone can receive SMS at the time of your purchase.

5.11.2 When you use 3DS to purchase from a participating Merchant, you will be presented with an electronic receipt and the One-Time Passcode will be sent to your mobile phone.

5.11.3 Without your One-Time Passcode, you will not be able to make purchases from participating Merchants.

5.11.4 If you update your mobile phone number then you must notify us immediately of your new details, to ensure our records are correct.

5.11.5 The One-Time Passcode is valid for the purchase you received it for. You are responsible for the security and confidentiality of your One-Time Passcode and must not share it with anyone else.

5.11.6 You will be responsible for any fees or charges imposed by your mobile phone service provider in connection with your use of 3DS.

5.14 Cancelling a recurring Card Transaction with us will not cancel the agreement with the organisation you are paying. It is your responsibility to tell the organisation collecting the payment about the changes to your instructions.

5.15 If for any reason whatsoever, a negative balance arises because a Transaction is completed when there are not enough funds on your Account for that Transaction, you shall reimburse the negative balance amount immediately, unless circumstances described in sections 5.16 and 5.17 apply. You agree that once we make this negative balance known to you, we will charge you the amount of negative balance and you must repay it immediately. We may set-off the amount of the negative balance against any funds on your Account, including any subsequently loaded funds. Until we are reimbursed this negative balance amount, we may arrange for your Account, including Card(s) to be suspended. We may also report the negative balance to credit reference agencies.

5.16 Where a negative balance arises because of an error on the part of a Merchant where the Card Transaction occurred, we will seek to recover the negative balance amount from the Merchant.

5.17 Where a negative balance arises because of an error on the part of the recipient of the payment or us, we will seek to recover the negative balance amount from the person who made the error.

5.18 The Available Balance on your Account will not earn any interest.
